List of Nancy Drew video games

This is a list of video games that center upon the fictional character of Nancy Drew. Some of the games are adaptations of various *Nancy Drew* books, while others are not.

The games for computer and mobile, some of which were ported to game consoles, have been developed and published by HeR Interactive. Original console games have been published by Majesco and THQ.

Computer games

All Nancy Drew computer games to date have been developed by HeR Interactive, which currently publishes them. Between 2000 and 2001, they were published by DreamCatcher Interactive.

Nintendo DS games

The license for Nancy Drew on Nintendo DS was not granted to HeR Interactive, but rather Majesco, and subsequently THQ. HeR Interactive did, however, co-develop a Hardy Boys video game for the system featuring Samantha Quick, a recurring character in their Nancy Drew PC game series, with similar gameplay, making it effectively a spin-off.
